Re: United States v. Hallil Tabar
17 CR 618 (RA)

Ronnie Abrams, U.S.D.J.
December 2, 2021

Dear Judge Abrams:

As you will recall you recently sentenced Mr. Tabar to time served and a term of supervised release. During the pendency of this case his maternal grandmother, with whom he was very close passed, and he was unable to see her before she passed or attend her services. His maternal grandfather is 96 and in very poor health. Mr. Tabar seeks permission to travel to the Dominican Republic for a period of about two weeks to visit with his family, particularly his maternal grandfather.

If the court grants him permission to travel he will make his plans and provide his supervised release officer with all of the information pertaining to flights, residence in the Dominican republic and other details.

Thank you for your consideration.

Respectfully,

/S/ Lee Ginsberg
